

Spring Flowering Tree Donation Program

Be part of growing Woodlawn

Redbud Tree

Serviceberry Tree

Magnolia Tree

Dogwood Tree

Crabapple Tree

Each May thousands of spectacular blooms dot the landscape of Woodlawn, when hundreds of spring flowering trees put on a beautiful show. Most of these have been part of Woodlawn since our beginning in 1876.

Many of these spring flowering trees have aged out and are in decline. With the assistance of our Tree Inventory Arborist, we have made a species list of trees to replenish our flowering collection. We need your help, choose your favorite tree to donate and be part of our spring flowering tree collection. Your name will be added to the Spring Collections Care Plaque, displayed in the administration office.

The program enables you to donate a tree of your choice from the list provided. The tree is 6 to 8 feet in height and approximately 1 1/2—2” two inches in diameter at a cost of \$300 each. The first planting will be the fall of 2019.

I would like to donate: (circle and how many)

- Redbud Tree
- Serviceberry Tree
- Magnolia Tree
- Dogwood Tree
- Crabapple Tree
- Total
